The CNMF is a federation of national nursing and midwifery associations in Commonwealth countries.
The CNMF was established in 1973 and is a Commonwealth accredited civil society organisation. The purpose of the CNMF is to contribute to the improved health of citizens of the Commonwealth by fostering access to nursing education, influencing health policy, developing nursing networks and strengthening nursing leadership through in-country education and training; capacity building with standards and regulation; a bi-annual journal; a monthly e-News; a biennial conference; and representing nurses and midwives in Commonwealth forums.
